

# St. Agnes fundraising made easy!

## Do you want to know of an easy way to help? Here it is!

Kroger Cards are an *easy* way to earn money for our St. Agnes School Community. A Kroger Card is essentially a Kroger Gift Card. **4% of every dollar loaded onto your card will be donated to St. Agnes.** A Kroger Card can be purchased for \$5 from the school which has \$5 loaded on the card. **Therefore this card costs you nothing!**

We have approximately 1,200 families at St. Agnes. If the average family spends \$400 a month at Kroger and uses their Kroger Card to make these purchases, the St. Agnes School community could earn **\$19,200 a month, or \$230,400 a year** from Kroger Card donations!

### Annual St. Agnes Kroger dollars earned:

2009-10: \$10,885.94

2010-11: \$13,182.19

2011-12: \$19,473.78

**2012-13: You decide!**

### How does this work?

1. Purchase a Kroger Card for \$5 *from our school.*
2. **Load your card!** St. Agnes receives their donation when you load your card. At Kroger, load your card *either* at the **Customer Service Desk** or in the **Cashier Lane**.  
Customer Service Desk – At Kroger’s Customer Service desk you can load your card for any amount up to \$500 using cash, credit or check. *Please note there is a 5 minute delay in using your card when loading it at the Customer Service desk.*  
Cashier Lane - Prior to checking out your items, hand your card to the cashier to load your card. Ask the cashier to load your card for any amount up to \$200 (depending on your Kroger location). *You are able to use your card immediately when loading it in the cashier lane.*
3. Shop. You can use your card to purchase **groceries, fuel, pharmacy items, 3<sup>rd</sup> third party gift cards** and **wine, beer and liquor** at Kroger’s Wine and Spirits Shoppe.
4. Pay for your items with your Kroger Card.
5. DO NOT throw away your card. Continue to load your card and earn dollars for St. Agnes.

**You say this is simple. Yes it is.**
