2018 PARISH STEWARDSHIP CARD

TIME • TALENT • TREASURE

It only takes a spark...

Our 2018 stewardship renewal theme is a simple phrase. Yet, it challenges each of us to consider the impact we are making – or are willing to make – in our Saint Agnes faith community and beyond.

At this time of stewardship renewal, please consider the needs of our Saint Agnes Community as well as how your time, talent, and treasure can help meet those needs. Are you willing to stretch beyond what you have always done and try something new? Are you willing to be the spark? Will you allow God to use you as a light for the world?

Stewardship renewal is our opportunity to say “thank you” to God by committing to share a just and fair portion of our time, talents, and financial blessings to continue His work. By returning and fulfilling your stewardship intention form you are demonstrating your desire to continue as a vital part of Saint Agnes Parish.
