The **Sr. Thea Bowman Society**, St. Agnes Chapter is sponsoring a pilgrimage to enter into the story and experience of Black Catholics in Louisville, particularly in the 19<sup>th</sup> century before, during and after the Civil War. The day will focus on the life of **Mary Narcissa Frederick**, a remarkable Black Catholic woman who made a lasting impact on our local church and provides a fitting lens through which to view the lives of other Black Catholics in our area during this time period. **Deacon Ned Berghausen**, equipped with extensive research, will bring Narcissa's legacy to life through storytelling, conversation, prayer and ritual as pilgrims walk in the footsteps of our ancestors in faith.
